*The  
Green Knight*

"Camerado, this  
is our book."

1955

## Foreword

More than anything else, this is a book of memories. In a less degree, it is a book of interpretation.

To the members of the graduating class, especially, this book will be one of life's little treasures, taking them back to

"A land of promise, a land of memory  
A land of promise, flowing with the milk  
And honey of delicious memories"

May it also interpret our school for the present time; its pleasures, its aims, and its accomplishments.

And so

"Ave, atque vale!"

"This day shall be unto you a memory."

## *Dedication*

*"Trust follows his words."*

As a candidate, John S. Battle pledged state aid for school construction. As governor, he kept that pledge. "Battle money" helped make the building we now enjoy.

It is a privilege to dedicate this yearbook to Hon. John S. Battle, ex-Governor of Virginia.
